Instructions for the seller and winning bidder:

- Contact each other. We have already sent the buyer and the seller an email message containing the other party's contact information. If you have not received your email, you can click on the other party's user name above to send a message. Our User Agreement requires that you contact each other within five (5) calendar days to make payment and shipping arrangements.
- Once the transaction has been completed (i.e., payment has been made and the item received by the buyer) you can leave feedback on the other party.
[Buyer - click here to leave feedback on seller](#)

The Seller should contact each winning bidder (the Buyer) with information on the total cost of the purchase including shipping and sales tax if applicable. The Seller should tell the Buyer where to send payment and what payment methods are acceptable. The Buyer must send payment directly to the Seller. If the item is a modern firearm, the Buyer (or the Buyer's firearms transfer dealer) must send a signed FFL copy to the Seller. The Buyer should provide the FFL information to the Seller within fourteen (14) calendar days. Failure to provide proper FFL information in time may result in the Buyer receiving negative feedback and/or a **Non-Paying Bidder** warning, either of which can lead to suspension, and the Buyer will lose their rights as the winning bidder. Once payment is received the seller will ship the item to the buyer, or to the Buyer's transfer dealer (FFL) in the case of modern firearms. This auction is a binding contract between the Seller and the Buyer(s).

If the Seller is unable to contact a Buyer within five (5) calendar days of the end of the auction, the Buyer forfeits his/her rights as a winning bidder. A Buyer who fails to complete a transaction may receive negative feedback and/or a **Non-Paying Bidder** warning, either of which can lead to suspension from GunBroker.com.
